

HHBA – COVID-19 UPDATE – MAY 2021

NJ Executive Order No. 152 Requirements/Limits/Allowances

- Swimming is allowed
- Tables are available for use; Pavilion and Grill are also available for use (please continue to use personal distancing for non-family members and wipe down tables after use). Bring your own grill utensils. Grill should be cleaned by the member after use.
- You can bring your own toys for your children, although no sharing between families.
- Six feet social distancing of non-related persons is required
- Face masks not required, but are still recommended around non-related persons
- Port-a-john is cleaned/disinfected once a week by a professional cleaning service. Members who access the unit are encouraged to use their own personal disinfectant as an additional precaution.
- Please note that anything that you bring with you to the beach club, must be removed when you leave for the day (chairs, toys, etc.) Similar to State Park rules, what you carry in, you carry out.
- Volleyball, horseshoes, basketball area, shuffleboard and swing set will be available for use. Again, please respect the personal distancing guidelines for non-family members when playing the sporting games.

The board appreciates your support, understanding and following respecting the personal distancing guidelines still in place per NJ State.. Thank you.
